# Remembrance Day

Bailey and Izzy represented SHPS at the wreath laying ceremony.

The best part of me

I love my eyes because I love to see, write, draw and heaps more. I hope to see heaps more as I get older. Most people have lots of different eye colours. If they were all the same it would be boring. My eyes are shiny blue and green sort of like the ocean. What do you like about your body?

Rachel

1/2PB listened to the story "The Best Part of Me" by Wendy Ewald.

They discussed what body parts were valuable to them and why and then wrote their reasoning.

# What I Love About Myself

1/2 PB

I like my hands <sup>long</sup> because I can pick my favourite books up and lift tables up with them and play games on my PS3 all day at home. I can also play cars at home with my hands.

Noan

I love my feet because I can play soccer and soccer is cool. My feet help me to score a massive goals. I love putting my feet in the water at the beach.

Michael

I like my hair because my hair is the colour of the sun and it is great. My hair is long and straight. I like my sister to put braids in my hair.

Maddi

the eyes are the part of me. my shiny eyes help me see good stuff like my school work and minecraft. They make me see my nice mum and dad. I love my life.

Eve

I like my teeth because they help me to eat food like lollies. Also they help me bite sausages. With no teeth I could not bite hard foods like apples because it is so hard you can't even bite it.

Kelsey Sorella

My hair  
In summer when it's sunny my hair can cover my neck and girls don't need hats as much when you have long hair. My hair is shiny, brown and long! What is your favourite body part?

Charlotte

I like my hands because you can play Bay Blades with them. You can play all sorts of games. Hands are so important so you can have fun.

Jai

My feet are helpful to kick a football to my Dad. Your feet are good for tag because when someone gets you, you could tread on their foot and they will be in pain. If you touch them soft they might feel it or not. What would you do if you had no feet?

ollie

Like call of duty 4 and mortal combat x also if I didn't have hands how would I eat and drink? I wouldn't eat all how would I eat yummy lollies like milk chocolate and tasty lollipops and drink fanta what is your favourite body part? I use my hand for opening doors and taking stuff down, lifting stuff up.

ben

# What I Love About Myself

is my arms. They help me in so many ways. My arms help me to write. They help me to run and play netball.

riey

The best part of me Every body has this part and it is very important when you eat. Can you guess what it is?... It is your tummy. If you don't have a tummy where would your food go? It also helps you to breathe and lots of other important things.

Mikayla

I like my fingers because I can play my ipod with my fingers. Without them I couldn't play my ipod.

One day I played my ipod with my hands and fingers. Without them I wouldn't be able to play my ipod.

Rhys

My eyes

My eyes are as blue as the night sky. They help me see with beautiful glee. They are special to me. They are as beautiful as can be. They're as round as a ball. If I didn't have eyes I couldn't see my Mummy.

Sariq

The best part of me is my eyes because they help me read my spider-man book and I use them to look at cute puppies.

Jordan Wooten

my watch

I like my brain because it's smart.

The more aged you are the smarter you are.

When you do math your brain grows bigger then you get smarter. If you had no brain you would be all crazy.

Lucas

My ankles help my feet to run. They help me play with my friends too. They help me play spies.

Sophia

My hands  
Hands are an important part of your body because you can't eat without hands. You also need hands to play video games too. I use my hands to control the game.

Jem

I like my hands because I can use them to play on my iPad and go on the computer. I can climb ladders to the playground slide and I can eat breakfast with my hands.

Ruby

I like my fun and silly feet because they help me play my favourite sport, football and soccer. In soccer they help me get far ranged goals and in AFL they help me get epic goals. That's why I like them out of everything on my body. It's excellent to have feet.

Leon

I like my brown and wavy hair because I like to brush it. I can also wash it. I can play with my hair and I can do lots of styles with my hair.

Pixie

4. Hamper
5. Decorated Cake
6. \$25 Meat Voucher

Book sellers prize and more prizes to be announced

# ALTINA WILDLIFE

Year's 3 & 4 enjoyed their day at the Altina Wildlife Park.

It Was AWESOME!

Staff would like to congratulate everyone on their excellent behaviour for such a big and tiring day.

Students in Year 5 from Lavington East, Jindera, Lavington and Springdale Heights Public Schools were involved in a DURAKAR Leader's Day at Springdale Heights Public School yesterday.

Students had the opportunity to mix with peers from the DURAKAR Learning Community schools. During the day they participated in workshops and activities to develop their leadership skills.

### Community News....

#### Saturday 18 November

A market morning will be held at the Village Community Hall at the Albury Gateway Village. 639 Kemp Street Lavington. 9am to 1pm. Stalls, art, craft, knitting, sewing, baking, jams.... And lots more.

#### The Athletes Foot School Rewards Program

\$5 from every pair of shoes sold at the Athletes Foot store in Albury will be **donated** to our school.

Each time a student, family member or friend purchase a pair of shoes from The Athletes Foot Albury they will donate \$5 to our school. When you make a purchase, please **mention Springdale Heights PS** so \$5 can be added to the rewards total for our school.

#### Friday 8 December

**KEEPING KIDS CALM:** Slattery Centre 449 Olive Street Albury. Friday 8 December. 10am—2.30pm. FREE. Bookings essential. Light refreshment provided. This **free** interactive workshop (run by Centacare) aims to enhance parent's understanding of their children's behaviour and provide practical strategies in supporting behavioural change and emotion coaching.
