Thursday 21 June 2018

## Semester One Celebrating our Learning Journeys

All student reports for Semester One will be sent home on Friday 29 June. The report is a formal process that has a specific **teacher/parent focus**.

Student-Led Conferences have a strong **student/parent focus**. We have arranged our Student Led Conferences to be held over four days towards the end of this term.

Each child has been given a SLC note from their teacher, with their class appointment date and times selections for you to return.

Monday 2 July	Tuesday 3 July	Wednesday 4 July	Thursday 5 July
3-4C 5-6H	1-2PB Kinder 5-6W	3-4D	1-2BV

The Student Led Conference process is about students taking increased control over their own learning through setting learning goals, evaluating their work on a day-to-day basis and sharing what they have achieved with their parents.

## Cross Country Riverina Representative

Last Thursday Natalya competed at the Riverina Cross Country which was held at Gundagai.

**Natalya came 15th in her age group.**

This is a great result for Natalya who was competing against a large field of students on the day.

### Natalya's Report:

*Last Thursday I represented Albury, and my school at the Riverina Cross Country in Gundagai. It was a nice day. It started with a walk through of the track that we would run and not long after it was my turn to run. There were over 50 girls in the 11 Year age race and I came 15th. It was my first time running 3000 metres. I had lots of fun and on the way back home there was lots of roadworks.*

## Infants Hockey

K-2 have enjoyed a four week Intensive Hockey Program run by Hockey NSW coach Lachlan. Each Friday Lachlan came to the school and taught students the skills and rules of playing hockey. Funding from the Sporting Schools Program meant they were able to use the new Infants sized hockey sticks, balls and protective equipment that was recently purchased. It has been a lot of fun!!

Yvonne enjoys hockey

Thank you to Ms Boughton  
for organising this program for our students.

Carrots can be one of the easiest vegetable options for Crunch&Sip. Kids generally love them, they can last for a while in your refrigerator and are easy to prepare. Smaller carrots tend to be sweeter. Give them a wash or scrub and pack whole or cut into sticks.

When packing grapes for Crunch&Sip it can be an idea to put them in a small container or the lunchbox so they don't get squashed. Grapes are a popular fruit with kids. There's something about putting them whole in your mouth and bursting them by biting!

Some people love to crunch on a whole stick of celery, but generally kids prefer it cut up into sticks. A variety bag of vegetable sticks (e.g. celery, carrot, cucumber) is great for Crunch&Sip. Chewing on celery can help clean your teeth!

Information for **School Holiday Sporting Clinics** and **Childcare Programs** are available from the school front office if anyone is looking for school holiday activities.
