### Fame the Musical

Last week Year 5/6 classes enjoyed a performance of the musical 'FAME'. Students travelled to the Albury Entertainment Centre for this production. *Fame the Musical follows the highs and lows of the final class of New York City's illustrious High School for the Performing Arts from their first year in 1980 through to their graduation on 1984.*

Thanks to Miss Farmer for organising this excursion as it was totally funded by the school.

### Enviromatters

Last week, Abbey from Enviromatters visited all classes from K-6. Abbey is from Sydney and travels around to schools to inform students the importance of our environment. Her important message to the children was to be aware of their daily food packaging and how they can reduce environmental waste by bringing *nude food* (un-packaged food). Abbey also reminded them that bringing their food in re-useable packaging is a great alternative.

### Fundamental Motor Skills Day

Last Wednesday afternoon we had a whole school fundamental motor skills afternoon. The weather was perfect and it was great to see students practising all the different skills. We had games made up of 12 different rotations which included all the different motor skills such as – static balance, sprint run, vertical jump, catch, hop, side gallop, skip, overarm throw, kick, leap, two-hand strike and dodge. The winning team was lucky enough to win a free banana smoothie from the canteen. Mrs Carroll & Mrs Hillary

# Sizzling Starts

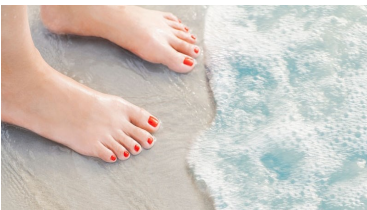

5/6W have been working on Sizzling Starts in their Writing.  
Students have a SIZZLING START based on a topic!

## ***Sizzling Starts.....***

### ***Topic: Beach***

As the wind blew across my sandy face and the clear blue water crept up my feet, my stomach began to twist as I looked into the distance. The sun shone down on the water making it glisten. I splashed around in the water allowing it to become unsettled.

By Jacinta T

### ***Topic: Annoying Max finds the nugget***

"Oh no," I sighed. I saw my annoying classmate get off the bus; this is going to be fun because this is the entrance to the gold mine. We followed the mine down the tunnel while we had torches. I saw a shine in the distance but unfortunately I said out loud, "What's that?" Max sprinted and picked up what looked like a gold nugget.

By Will K

### ***Topic: Dogs are better than cats***

Are you looking for a pet? Well if you want a pet get a dog because they are much better than cats. Dogs accompany you all the time as cats just roam and do whatever. Dogs also bark, which can get annoying while trying to sleep but cats scratch and honestly I'd rather lose some sleep more than get scared because of some cat. Also dogs protect you and cats watch you.

By Pheobe G

### ***Topic: Annoying Max finds the nugget***

"Yes! I found it!" I saw the gold sparkly nugget. Oh no, I think to myself, why did it have to be him who found it! I knew I was in for it when I heard him yell, "Darcy". He came running over to me, "I found it, I found it". I told him to be quiet and then ran off.

### ***Topic: Dance***

I was twirling and spinning in front of hundreds of people. I did a leap thinking I could complete my landing but CRASH! I landed off the

stage. My dance teacher called the ambulance. I was raced to the hospital and my mum was there.

By Alexis W

### ***Topic: Ghosts***

Running through the hallway and I didn't see the doorway, SMACK! I'm on the ground and in the corner of my eye I see something..... I see something in the window. What could it be? I'm home all alone feeling terrified. BANG! I run into the window.

### ***Topic: Caught in a fight at the football***

He threw a fist at me. My head was throbbing with pain and I had a shiver go up my spine. I dodged it. The second fist I had no chance, it hit me. I was in shock and blood was pouring out of me. I heard sirens and some nice people lifted me up in an ambulance.

**Topic: Caught in a fight at the football**

My fist was throbbing, my ears were ringing and I couldn't feel the side of my face. I didn't know what to do, there were too many people around me. I couldn't get out, he swung a punch at me. He just missed but then he threw another one and someone bumped into my back and flung me into his fist. I fell straight to the floor, my head was ringing. I was seeing stars then I felt something

run down my face, the punch split my face open. I couldn't really

see out of my left eye.

**Topic: Annoying Max finds the nugget**

"Where is it? "Arrrh over here maybe? "No" I swear I've looked absolutely everywhere. I must find this! Oh no, what has just happened? "Hey everyone, I found it!" Max shouted as he lifted up the biggest, shiniest piece of gold. It's so big I'm surprised he can even lift it above his head. I was so mad I wanted to steal it while he wasn't looking. I've been looking for this forever.

By Tex F

**Topic: Annoying Max finds the nugget**

Looking inside the cave and Max said, "Ha ha I found it, I found it!" rubbing it in everyone's face. Why did he have to find the gold nugget?

He is going to rub it in the whole day and is going to brag all day. He is so annoying!

By Parker T

**Topic: Beach**

Oh no, my sister went in the water. Please don't splash the water but the water went all over me. "Mum, mum", I said to tell on my sister and as I was trying to get away my book went on the ground and water got all over it. I went to get my towel but it was soaking wet so I decided to have a water fight.

**Topic: Interesting Animal**

I love this animal. I've done so much work on it before. They have a big mouth, huge teeth and if I say so they have one of the cutest smiles ever, but some people might think differently. They come in all different sizes some of them are extremely FLUFFY!!!

They're mostly a tan, brown or grey colour and they are mostly known for their BIG.....RED.....BOTTOMS!

By Keana B-W

**Topic: Dogs are better than cats**

Meow, purr, purr, purr. They are cute, soft, fluffy and kind hearted. They are cats! Cats are way better than dogs because cats are easier

to look after except for the poop part of a cat. When you're got to go, you got to go! Anyways cats are also way better then scary furious dogs. You don't need to feed them as much as a big ol' dog.

By Celeste D

**Topic: Caught in a fight at the football**

Arrrr! There was so much blood. A hand flew across my face whilst sweat was dripping down my shivering body. I could hear sirens and people were picking me up off the ground. I couldn't believe my mates turned on me during the game.

By Natalya R

**Topic: Beach**

I am surfing in the sea but I do not know how to surf. It can be fun and did you know that a dog and cat can surf? Surfing can be done by anyone.

By Rory W

**Topic: Interesting animal**

Eww that smells, yuck! It is pink; it has a weird looking nose and big ears. It plays in mud and goes oink, oink! It has four legs and a tail that has a twirl in it. Do you know what animal I am talking about?

By Marlee G-W

**Topic: Dance**

Boom! Boom! there's fancy lights, green, blue, purple, pink loads of them and it's really loud. Oh this is crazy, it's time to party.

By Zack S

**Topic: Annoying Max finds the nugget**

NO! NO! NO! he found it in the cave. I was so close and now he is rubbing the golden nugget in people's faces. The golden nugget is a bomb..... Run! Run! Run! Kaboom! Max was sad.

By Mathew L

**Topic: Ghosts**

Run! This white thing is going through the walls trying to get me because I opened the box. I screamed in horror to see a dead end! The 'thing' thought I was cornered but I ran towards it. When it was about to grab me I slid under it towards the secret entrance to my room. I opened my door in time and closed it in the nick of time. I can't go to see my friends Will, Zack and Mathew without being seen out in the hall. I guess I will have to make a run for it or call them on my phone. No connection! No connection of any kind.
