Term 2 - Week 6

Thursday 6 June 2019

Cross Country Representative

Zone Cross Country Riverina

Congratulations to Natalya, who came fourth in her age group at the recent Zone Cross Country Carnival.

Natalya will now go to represent the District at the Riverina Carnival on Thursday 13 June. Congratulations Natalya!

Lions Club Public Speaking

Jack

Eli

Lions Club Public Speaking

Jack and Eli competed against other students from local schools yesterday, at the Annual Lions Club Public Speaking here at SHPS. There were very talented speakers among them.

After the speeches Jack, Eli and the other participants were presented with their *Certificates* by the Lions Club members. Well done boys on your speech presentations!

Give Me 5 for Kids

\$214.00

This term the SRC organised our annual fundraiser for the local hospital. *Money raised helps provide our local community with aid and support to sick children and their families in times of need.*

'Give Me 5 For Kids' has been a very successful local charity that we have continually supported each year with an 'Out of Uniform Day'.

Our whole school enjoyed a day of *NO UNIFORM* to help support 'Give Me 5 for Kids'. Riley, Rhys, Zeek and Dakota helped raise money for this very worthy charity.

This year you helped raise \$214.00

Thankyou to families who helped us to help others.

The new Sports House Flags have arrived! Thanks to the generous support of our hard working P & C committee, they were able to purchase these flags for the school. These flags will be used to display at sporting events. **AWESOME!!**

PSSA Sport

Please Read Carefully

PSSA Sport starts tomorrow Friday 7 June

If your child has been chosen to represent the school in the Primary Schools Sports Association (PSSA) competition, they will travel by bus to their sporting grounds. ***This year we will also field an AFL team and this will be played each week here at our school and other schools will travel to us to participate. This means there will be no cost involved for students playing AFL.***

Netball will be played each week at J C King Park and **Soccer** will be held at various venues. This season's competition commences Friday 7 June and finishes Friday 16 August. ***Permission notes for all PSSA sport*** have been sent home with selected students along with a ***Sport Code of Conduct*** form. Both forms must be filled in and returned before your child can play.

Bus cost is \$3.00 per week to be paid each Friday. You can choose to pay \$27 up front to cover the whole 9 week season. **(No cost for AFL).**

Sports uniform must be worn. Shin pads and football boots are compulsory (for Soccer). Football boots for AFL. Make sure that your child brings a drink for half-time and after the game. Soccer and Football players **MUST WEAR MOUTHGUARDS.**

THANK YOU

The Responsible Pet Ownership Program educates children from ages 4-12 on living safely with dogs and responsible pet ownership

Helen and Chi visited our the K-2 students last week to present this wonderful educational program.

Responsible Pet Ownership

Students learnt about the responsibility of owning a pet. They were involved in a hands-on demonstration of approaching a dog as well as an informative video session about wanting to own a pet but also being mindful of how much care and responsibility it takes.

Paul Kelly Cup

Last week, Paul Kelly Cup was played at Jelbart Park where 27 of our girls and boys played against other local schools for a Round Robin day of AFL football.

Students had a fabulous day and played well among other great competitors. For many of our SHPS Congolese students it was their first time to play the game and it looks like we have some budding stars.

Mr Hill was very pleased with our students team spirit and excellent behaviour on the day. He said they represented the school with pride.

The girls team played two games and finished one game with a close loss and the other with a draw. They were then able to play another game against Holy Spirit and lost - but it was close.

The boys played three rounds of games and with each game they improved and showed that they were learning about AFL. They lost all three and then played against St Patricks B and they finished with a close loss.

Weather in our world

K/1

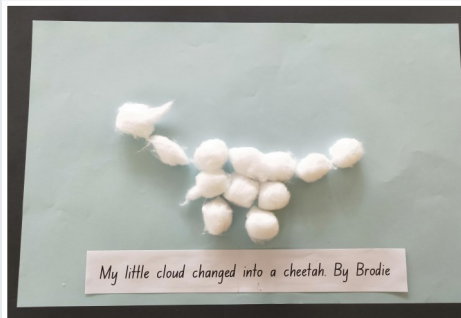

Blue

Little Cloud by Eric Carle

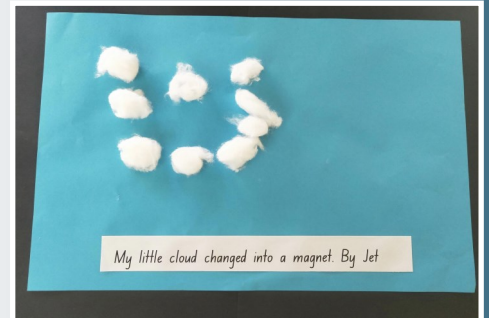

In Science this term we have been investigating 'Weather'. As part of the unit we have been observing the weather changes and cloud movement.

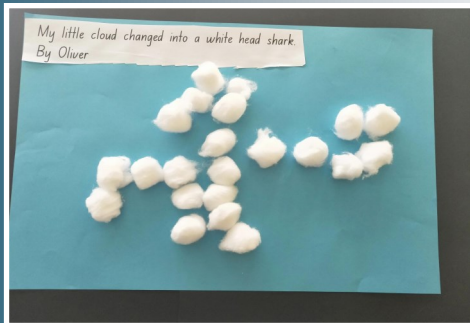

On one day, the students were very creative with what they could see in the sky. We were then inspired by the book 'Little Cloud' by Eric Carle to create our own 'little cloud' that turned into something else.

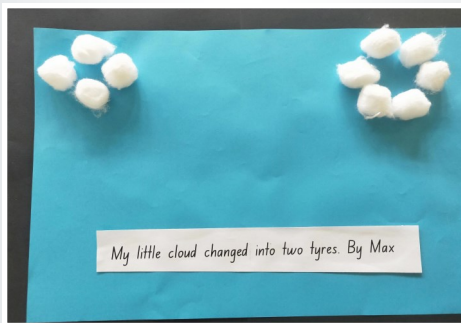

My little cloud changed into a cheetah. By Brodie

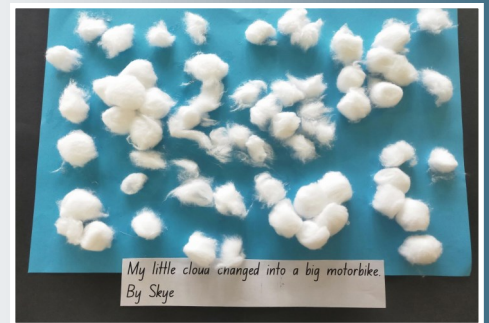

My little cloud changed into a magnet. By Jet

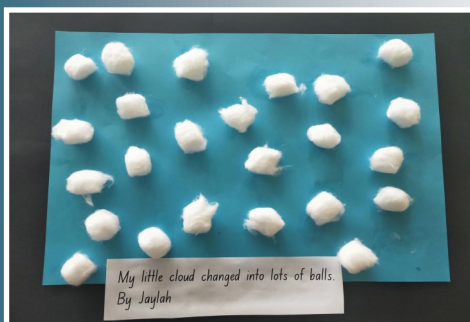

My little cloud changed into a white head shark. By Oliver

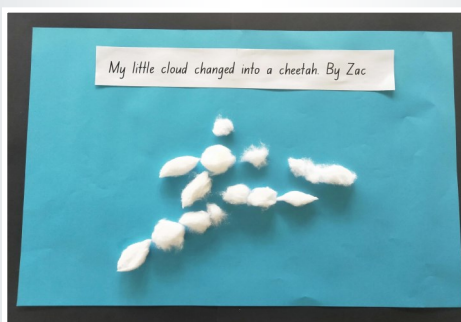

My little cloud changed into two tyres. By Max

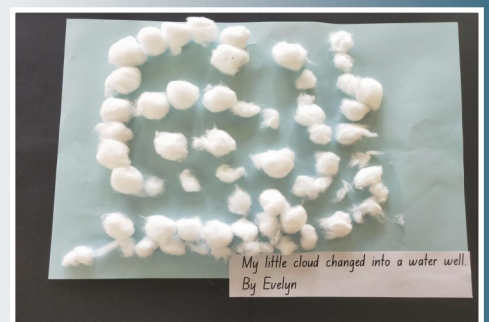

My little cloud changed into a big motorbike. By Skye

My little cloud changed into lots of balls. By Jaylah

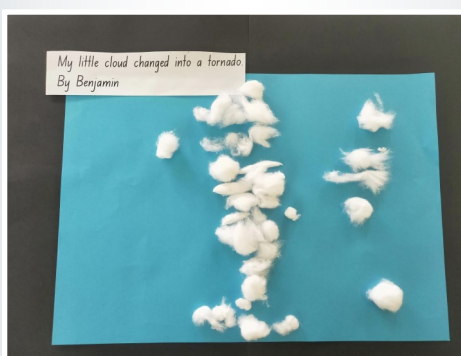

My little cloud changed into a cheetah. By Zac

My little cloud changed into a water well. By Evelyn

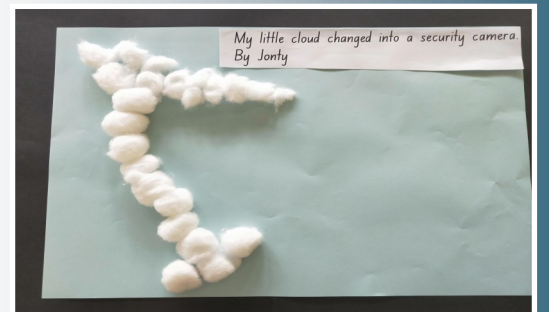

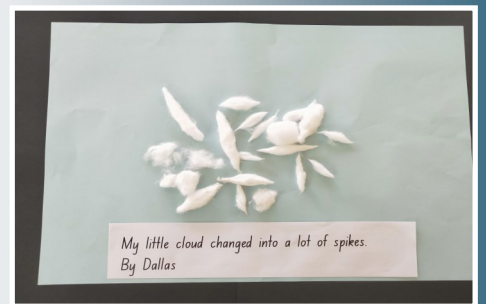

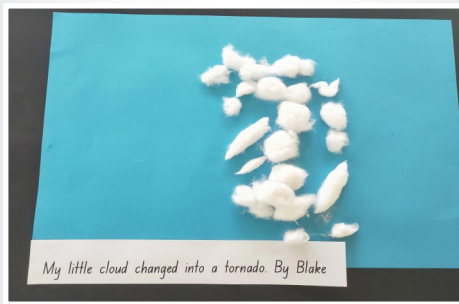

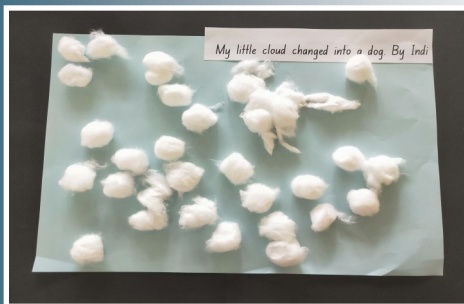

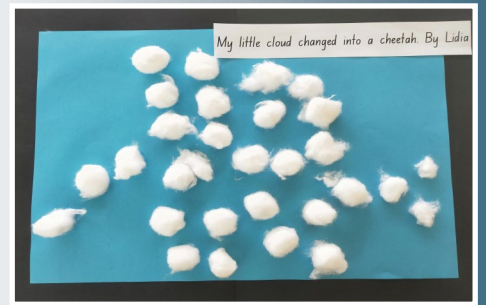

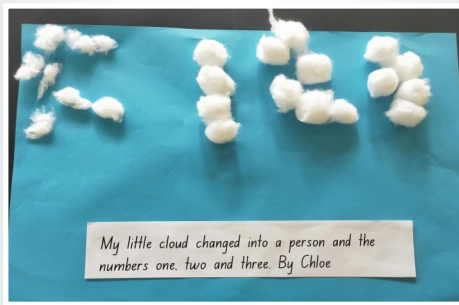

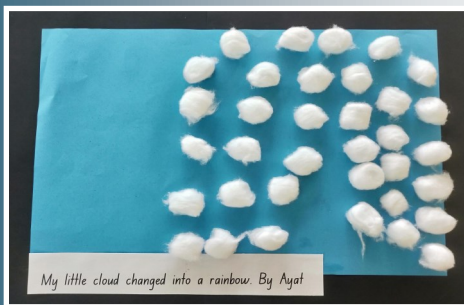

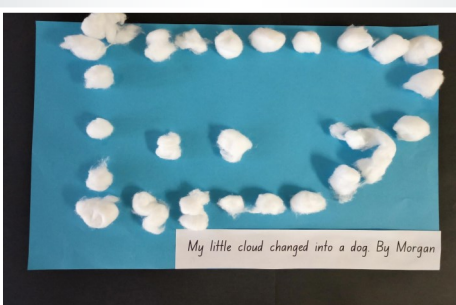

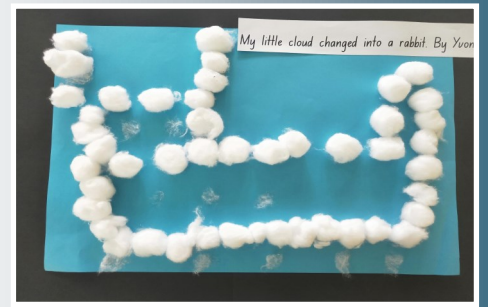

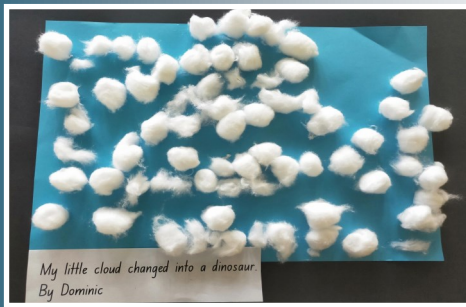

My little cloud changed into a gate. By Olivia

My little cloud changed into a tornado. By Benjamin

The students had some very interesting ideas!

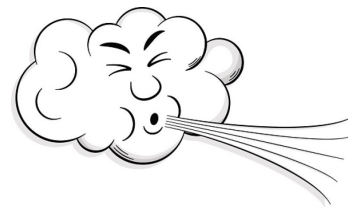

Max and Oscar enjoying their reader- *'Seasons and Weather'*. Oscar discovered that "The whales move when the winter is close so they can go to warmer places in the water to have their babies".

Sunny
shining with bright
sunlight

Rain – water falling in drops

Wind
is the
movement
of air

Fog is like a cloud but it is near
the ground.

K/1 Blue love learning about the Weather

Please consider becoming
a canteen volunteer

The Party Box Meal Deal

was a real hit with the kids this week. Children tucked into their favourite foods and didn't waste a bite!

Thanks Alison and Jackie for your huge effort in getting out over 100 orders on the day.

Thanks Alison
and Jackie

Athletics Catch-Up Carnival

Athletics Catch-Up Carnival

Our Athletics Catch-Up Carnival was held last week. Staff and 21 students braved the inclement weather to complete the Relay and remaining High Jump events.

It was terribly cold weather but the children put in their best efforts to complete their events and be finished before the downpour of rain started. **Well done everyone!**

We are collecting the Woolworths Earn & Learn Stickers. Drop your stickers in the SHPS box at the supermarket or bring them into the school office.

Compulsory Attendance

Absences

We would like to remind parents that regular attendance to school is compulsory. On occasions your child may need to be absent from school, eg; being sick, family reasons or unavoidable appointments. Following an absence from school you must ensure that within seven days you provide the school with a verbal or written explanation for the absence.

Lateness

It is equally important to arrive at school on time daily as this ensures that students

- ♦ do not miss out on important learning activities scheduled early in the day
- ♦ helps students learn the importance of punctuality and routine
- ♦ reduces classroom disruption
- ♦ gives students time to greet their friends before class.
- ♦ Lateness is recorded as a partial absence and must be explained by parents.

All students who arrive late to school must come to the office to sign in and take a red card to the class teacher. Early leavers also need to come to the office to sign out.
