Treasure Hunt

As part of our Education Week our Treasure Hunt had to be postponed due to the weather, but when the sun shone last week it was 'thinking caps on' for our Treasure Hunt! Students were given a sheet of pictures of objects to find around the school and as these pictures were only portions of the object... it was very tricky but lots of fun. Teams went around the grounds and buildings finding as many of the objects as possible. It was challenging but it was amazing how many observant young people we have.

Sports Reports

Soccer

We had an exciting game for the last one for the season. Everyone played together and worked hard on playing in their positions. We won against Lavington 6-1. The best players were Maddex and Jack.

It was a hot and sunny day at Melrose Park for the last round of soccer. The seniors last game was against Hume 1-4. The best players were Justin and Wendy.

Netball

Last Friday the sun was shining for our final week of PSSA Netball. All teams have made improvements throughout the season and should be very proud of their efforts.

Senior Red and Juniors both went to LEPS and Senior Blue played a very classy St Anne's' team also going down.

Well done to all teams for a great season. Best players were Clare, Sandy and Isabell T.

Road safety

Keeping your children safe when dropping off and picking up at school

- Here are a few things you can do to help keep your children and others safer during drop-off and pick-up times during the school week.
- Make sure your children are fastened in the correct child car seat for their age and size and that it is fitted correctly.
 - Stick to the 40km/h speed limit in a school zone and look out for children who may be about.
 - Watch for flashing lights on buses. They let you know that there may be children crossing or about to cross the road. A 40km/h limit applies when school bus lights flash.
 - Always give way to pedestrians particularly when entering and leaving driveways.
 - Always park and turn legally around schools. Manoeuvres such as U-turns and three-point turns are dangerous during busy school drop-off and pick-up times.
 - Drop your children off and pick them up on the school side of the road in your school's designated drop-off and pick-up area. Never call out to them from across the road - they may run to you without checking for traffic.
 - It's safest for children to get out of the car through the Safety Door, away from passing traffic. This is the rear footpath side door of the car.

For more information on keeping our kids safe around schools visit the parents section on safetytown.com.au
